ALUMNAE CHAPTER OF ALPHA PHI INTERNATIONAL FRATERNITY

IE Alumnae Chapter Newsletter

Membership Update V.P. Membership—Kimberly Clarke

Sisters- Now is the time to join the Inland Empire Alumnae Chapter of Alpha Phi. The dues are still at a reduced rate and will be until May 31st- you can submit your dues electronically or through the mail. The attached dues form will either renew your membership or allow you to join us for our upcoming year of great activities. We have a lot of great events planned, as well as philanthropic work and support of our local active chapter. Please join today and continue your dedication to our sisterhood! We need everyone's support in order to keep our alumnae chapter strong and vibrant!

Thank you for all your support

DISCOUNT ON YOUR DUES!!!

The alumnae chapter is currently running a *discounted membership offer* till May 31st, 2010 please fill out the membership form with the **CURRENT RATE. \$27.00** and this will cover your membership from May 2010- June 2011!!!!

Please note that after the May 31st dues will be 27.00 only until June for the 2009-2010 year and after June 2010 dues will increase to \$35.00 per membership. Also this does not include membership to international.

If you have not had a chance to pay your 2009-2010 dues yet, please go to www.paypal.com, account— iealumnae@live.com —to make your payment.

Community Service in Chino

On April 22, 2010 six ladies from our alumni chapter volunteered at the Chino Creek Wetlands and Educational Park Annual Earth Day Event in the City of Chino. With over 450 community members attending the event, which was held to provide information and activities focusing on water conservation and environmental stewardship. Following the event the alum enjoyed dinner at BJ's Brewery.

Alpha Phi in the News!!

The Community Celebrates Earth Day

The Inland Empire Utilities Agency, in partnership with the City of Chino, held an Earth Day Event at the Chino Creek Wetlands and Educational Park in the City of Chino. The Park was funded partially by a grant from the State Water Resources Control Board. Over 400 community members attended the Event, which was held to provide information and activities focusing on water conservation and environmental stewardship. The Event included a water-wise show, over 25 vendors from different agencies and corporations providing giveaways and activities, 99.1 KGGI, a train giving tours of the park, and food provided by the Chino Kiwanis.

In addition to the Earth Day Event, a Ribbon Cutting Ceremony was held for the Garden in Every School® Demonstration Garden which was funded by a GreenWorks Grant from Project Learning Tree® awarded to the Santa Ana Watershed Association (SAWA) along with funding provided by the Inland Empire Utilities Agency (IEUA). The Garden Project began October 2009, where over 50 volunteers dedicated their Saturdays to designing, planting and monitoring the garden project. The volunteers came from the community with a majority of them coming from Raney Intermediate School. In addition, a student art competition contest was held. The winners had their work placed on the signage around the garden. The goal of the Demonstration Garden is to manifest what a California Friendly® garden can look like. For those teachers who might be interested in applying for a Garden in Every School® Grant, the garden is a great place for them to see and understand the opportunities this type of garden holds for the students and the community.
