

The Inland Empire Alpha Phi Alumnae Chapter's first annual Founders' Day Celebration was a great success! There were Alumna there from a bunch of graduating classes and the entire Eta-Beta collegiate chapter came out to celebrate with us. The venue was gorgeous, food was good and Sorority Specialties brought fabulous items to purchase. Thank you to everyone who made it out to the event, we truly hope you had an amazing time celebrating the founding of our wonderful fraternity. Hope to see everyone there next year as well!

## Membership Update

### V.P. Membership—Kimberly Clarke

The Inland Empire Alumnae Chapter of Alpha Phi has almost 40 current dues paying members. We would like to increase this number to 50 members before the year ends especially since we have over 450 alumnae living in the Inland Empire! I know there are a lot of women out there who simply do not know about us!! I think this is an attainable goal... We have a great calendar in mind for the 2010 year and we want to incorporate a lot of sisterhood events and Happy Hour

Cocktail parties to celebrate our sisterhood! I also want to implement phone tag: this will help get current members to encourage other Alpha Phi's they know in the area who are not members to join us for events and see we like to have fun! Every sister is always welcome!

I truly appreciate all the support that the Inland Empire Alumnae Chapter of Alpha Phi has received over the last 6 months and I encourage other sisters to join in as well! We need everyone's help to pro-

mote growth in membership and there are always great incentives to do so...if you recommend an alpha phi to pay her dues and she puts you down as a reference on her membership form, we will cut your next year's dues in half! If you bring in a new woman to initiate into Alpha Phi you will get free membership dues for the year as well as some great gifts!

We look forward to your continued support!
